

NATIONAL JUDICIAL ACADEMY, BHOPAL

TRAINING PROGRAM FOR MYANMAR JUDGES AND JUDICIAL OFFICERS

COURSE CONTENT

The National Judicial Academy is organising training and capacity building programs for Myanmar Judges and Judicial Officers, pursuant to the MoU between the National Judicial Academy and the Office of the Union Chief Justice (OUCJ), under the Supreme Court of the Republic of the Union of Myanmar. This program will include sessions on judicial skills and behavior, constitutional law, criminal justice administration, human rights laws, environmental law, principles of appreciation of evidence and correlative jurisprudence. The program aims to acquaint participants with skills of judging and judgement writing. The programs will also facilitate discussions on court and case management and the use of ICT in the administration of Justice.

The broad areas/ subjects to be discussed in this program are as under:

- Constitutional Vision of Justice
- Elements of Judicial Behaviour: Ethics, Neutrality and Professionalism
- Developing Efficient Judicial System: Court and Case Management
- Protection of Environment and Wildlife: The Judicial Approach
- Judiciary and Media: Need for Balance
- Elements of Fair, Impartial and Competent Investigation
- Principles of Evidence: Appreciation in Civil and Criminal Cases
- Electronic Evidence: New Horizons, Collection, Preservation and Appreciation
- Forensic Evidence in Civil and Criminal Trials
- Transition to a Gender Just Society: Jurisprudential Developments
- Alternative Dispute Resolution and Plea Bargaining
