Rashtriya Raksha University

(Pioneering National Security and Police University of India)
Training Programmme for Mexico Police

Day	Time	Theme	School
Day 1 (25/06/24) Tue	1000 - 1130	Inaugural Session and Pre-Assessment	
	1145-1315	• Policing and Law Enforcement in India: An Overview • Historical Perspective • Coordination with International Agencies in Countering Organised Crime	SISSP
	1400 - 1530	• Police Reforms: Interactive Case Study of India and Mexico Police Force	SISSP
	1545-1715	• Factors of Police Interviewing • Contemporary Methodologies of Surveillance and Monitoring	SISSP
Day 2 (26/06/24) Wed	1000 - 1130	• Enhanced Surveillance Techniques: Real-Time Domain Awareness • Targeted Law Enforcement Strategies: Person and Location-Centric Predictive Policing • Case Study on Use of Crime and Criminal Tracking Network and Systems	SISSP
	1145-1315	• Transformative Effects of Predictive Analysis on Law Enforcement Practices and Inquiries: Evidence-Driven Policing • Influence of Predictive Analytics on Police Procedures and Probes: Data-Backed Law Enforcement	SISSP
	1400 - 1530	• Counterterrorism & Counterintelligence – An Overview of Operational Strategies • Round Table Discussions on Best Practices	SISSP
	1545-1715	• Vehicle Defensive and Evasive Driving	SISSP
Day 3 (27/06/24) Thu	1000 - 1130	• Networks of Links – An approach towards Social Network Analysis	SITAICS
	1145-1315	• Criminal Analysis and Intelligence Graphic Products	SISSP
	1400 - 1715	• Money Laundering and Organised Crime: Contemporary Investigation Approaches • Analysing Specific Scenarios and Examining Key Instances in Current Investigative Methodologies	SISSP
Day 4 (28/06/24) Fri	1000 - 1130	• Principle of Cartography – Tactical Mapping Techniques	SISSP
	1145-1315	• Disruption of Underground Drug Trade Networks: Strategies and Impacts • Combating the Illicit Drug Economy: Tactics	SBSFI

		• and Consequences – An Indian Perspective • Workshop on Case Studies	
	1400 - 1530	• Hands-on Training on Drug Testing Identification & Testing of Drugs Using Latest Techniques & Field Kits	SBSFI
	1545-1715	• Investigation Evidence Collection and Prosecution/ Problem Identification/Case Analysis	SBSFI
Day 5 (01/07/24) Mon	1000 - 1130	• Use of Media Communication in Investigation • Handling Informants for Benefit of the Case – An Overview	SISSP
	1145-1315	• Forensic Analysis of Phone Devices and Emails • Knowledge of Digital Platforms and their Analysis	SITAICS
	1400 - 1530	• Best Practices in Police Leadership and Conflict Management	SISSP
	1545-1715	• Advanced Techniques of Crime Scene Investigation – Table Top Case Exercise with Participating Officers	SISSP/SBSFI
Day 6 (02/07/24) Tue	1000 - 1130	• Exploring Geographic Information Systems (GIS): An Overview of Spatial Data Analysis and Mapping Technology	SITAICS
	1145-1315	• Practical Applications of GIS in Law Enforcement: Hands-On Training for Crime Mapping and Spatial Analysis	SITAICS
	1400 - 1530	• Cybersecurity Landscape: Understanding Threats and Attack Vectors in the Digital Age	SITAICS
	1545-1715	• Network Security Fundamentals (Firewalls, Intrusion Detection Systems (IDS), and Intrusion Prevention Systems (IPS), and Securing Wireless Networks)	SITAICS
Day 7 (03/07/24) Wed	Field Visit to the World's Tallest Statue - Statue of Unity, Kevadiya, District: Narmada, Gujarat, India		
Day 8 (04/07/24) Thu	1000 - 1130	• Securing Digital Communication: The Role of Encryption in Safeguarding Privacy and Confidentiality	SITAICS
	1145-1315	• Hands-on Data Gathering from Social Media and Social Media Analytics	SITAICS
	1400 - 1530	• Cybersecurity Governance: Establishing Policies and Implementing Best Practices for Effective Law Enforcement Practices	SITAICS

	1545-1715	- Protecting Endpoints: The Role of Antivirus and Endpoint Security Solutions in Safeguarding Networks - Fortifying Network Perimeters: Hands-On Firewall Configuration for Enhanced Cyber Defence	SITAICS
Day 9 (05/07/24) Fri	1000 - 1130	- Unlocking Open Source Intelligence (OSINT): Essential Concepts and Techniques for Information Gathering - OSINT in Action: Case Studies Demonstrating the Power and Impact of Open Source Intelligence	SITAICS
	1145-1315	Incident Response Strategies: Mitigating Cybersecurity Threats with Effective Incident Handling Protocols	SITAICS
	1400 - 1530	- Exploring the Dark Web: An In-Depth Examination of its Operations, Threats, and Challenges - Unveiling the Dark Web: Case Studies Illustrating Criminal Activities and Law Enforcement Responses	SITAICS
	1545-1715	Post-Assessment and Valedictory Session
