

International Training Programme for Diplomats of Egyptian Commercial Services

12-23 August, 2024 (2 weeks)

Introduction

In the realm of the continuous reform of the Egyptian economy, Egypt is making wide strides to be able to catch up with a world where rapid political, economic, and social changes are being witnessed, along with globalization, technology development, and flow of investments. The role of the Egyptian Commercial Service (ECS) is meant to actively contribute to this economic reform and development process.

The present course is an attempt to enable the diplomats of Egyptian Commercial Services to gain an understanding of the trade facilitation and related aspects.
